Welcome to carefree Florida living in this charming 2-bedroom, 2-bath villa nestled in the heart of the popular Parkway Villas, a well-maintained 55+ community in Bayshore Gardens. This light and bright home offers 908 square feet of comfortable living space, perfectly designed for relaxation and ease. From the moment you arrive, you'll appreciate the convenience of your own covered carport, just steps from the front door—no stairs, no elevators, and no worries. Inside, the layout flows beautifully, with a spacious living area that leads seamlessly into the dining space and kitchen. A mix of easy-care tile and cozy carpeted flooring throughout creates a warm and inviting atmosphere. The split-bedroom floor plan offers privacy for guests, or flexibility for a home office, craft room, or second TV space. Both bathrooms are clean and functional, with plenty of opportunity to add your own updates over time.
