Opportunity to own 3 acre lots in Orchid Land Estate on the Big Island. These 4 lots are adjacent to each other and would make a good investment for families desiring to live next to each other. Or buy 2 lots and have twice the size for added privacy. Build your dream home or use it for agricultural land. Lots are located on 39th Avenue between Orchidland Drive and Aulii. Motivated sellers prefer to sell all 4 lots together but will consider all offers. Zone DPC 5C AGRICULTURAL. No survey. Sellers will not provide SRPDS because they have not been to the property. Buyers to do their own due diligence.
