Enjoy timeless charm in this exquisite colonial home with all of today's amenities. The sellers have painstakingly made many custom updates to their home that will allow you to enjoy many more years of enjoyment. (be sure to ask for the Sellers list of improvements). The home features a large kitchen, dining room, foyer, living room, den, 1/2 bath and 3-season room on the first floor and five bedrooms and two full baths on the 2nd floor. The full basement offers more storage and potentially more living space plus a 1/2 bath. The beautifully landscaped yard provides water fountains, pergola, a custom chain saw totem pole, many perennials, shrubs and bushes. The 3-car detached garage features a sitting porch where you can relax and enjoy the beauty of the home and landscaping. The Photovoltaic (Solar Electric) system with two Tesla inverters was installed in 2023 and will be sure to save you on your electric bill.
