Welcome to 2501 Wineglass Road! This home is the definition of modern country living, situated on 4.66 acres. Upon entry from the garage, thereâ s a large mudroom that leads into a full, separate laundry room, featuring cabinetry and a sink. The details of the house are what make this property a home. There is a stunning fireplace in the living room as well as real hardwood floors and granite countertops in the spacious kitchen. If youâ re looking for storage, the kitchenâ s pantry is 6x6. It has more than enough room for everything you have. The attention to detail continues outside and into the oversized garage. Thereâ s also a covered patio that makes for the perfect entertainment space and, itâ s just off of the kitchen! Fabulous family room finish with options for the east wall to come out and add on a wet bar and pool room to make it even bigger. Basement finish options
